

Mentors

From cycle XXXIX onwards, PhD students are required to choose a Mentor among the ones listed below, avoiding those who are working in the same research group.

PhD students have to 1) ask the Mentor his/her availability, 2) inform the PhD course at phd@fisica-unimi.it and 3) schedule at least 1 meeting/year with the Mentor.

Mentors share their personal experience and technical expertise, ensure the support and the resources PhD students need to develop their projects, give advice on PhD students future career. Mentors promote PhD students' welfare and can help them in solving conflict/inconvenience situations.
